

Category 1: Numerical

Question 1 (1 point): How many chairs are near the table with a vase on it?

Response: Print 8 in terminal.

Category 2: Object Reference

Question 2 (1 point): Find the vase on the cabinet below the picture.

Response: Bounding box of the object

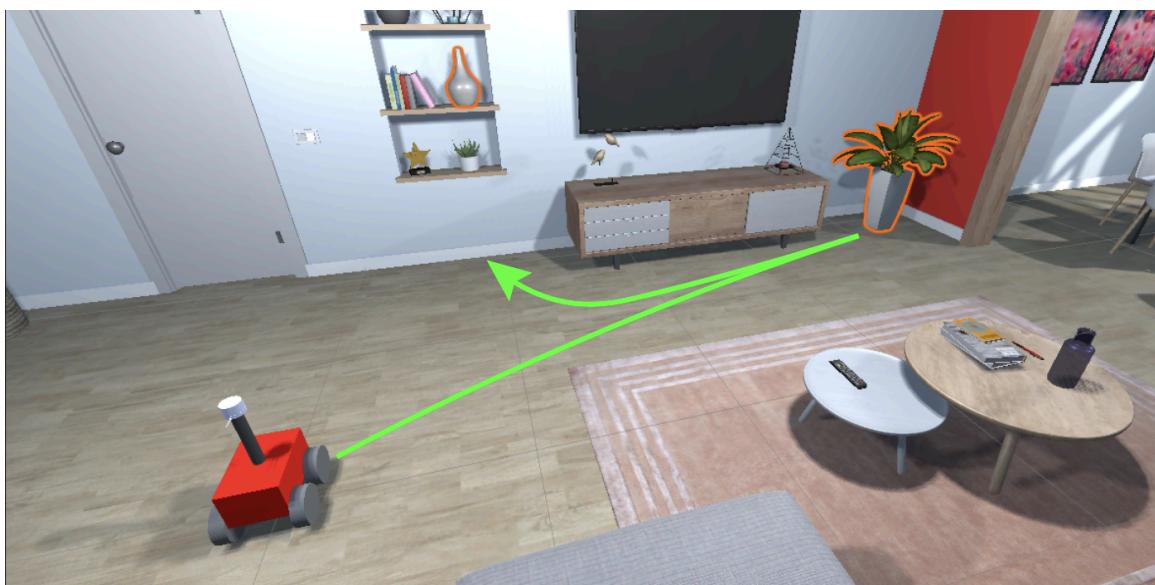

Question 3 (1 point): Find the pillow on the sofa that is closest to the windows.

Response: Bounding box of the object

Category 3: Instruction Following

Question 4 (2 points): Go to the potted plant closest to the pyramid candle holder and stop at the vase between the TV and the door.

Response: trajectory (series of waypoints)

Question 5 (3 points): First, go near the lamp closest to the black chair, then take the path between the sofa and the round tables, and stop at the cabinet with a picture above it.

Response: trajectory (series of waypoints)

Note: The number of points of a question is based on the number of steps in the response. For example, Question 5 expects 3 steps in the response and is worth 3 points. The score is calculated as the number of correctly responded steps.
