

Category 1: Numerical

Question 1 (1 point): How many framed records are above the couch?

Response: Print 3 in terminal.

Category 2: Object Reference

Question 2 (1 point): Find the vase closest to the guitar.

Response: Bounding box of the object

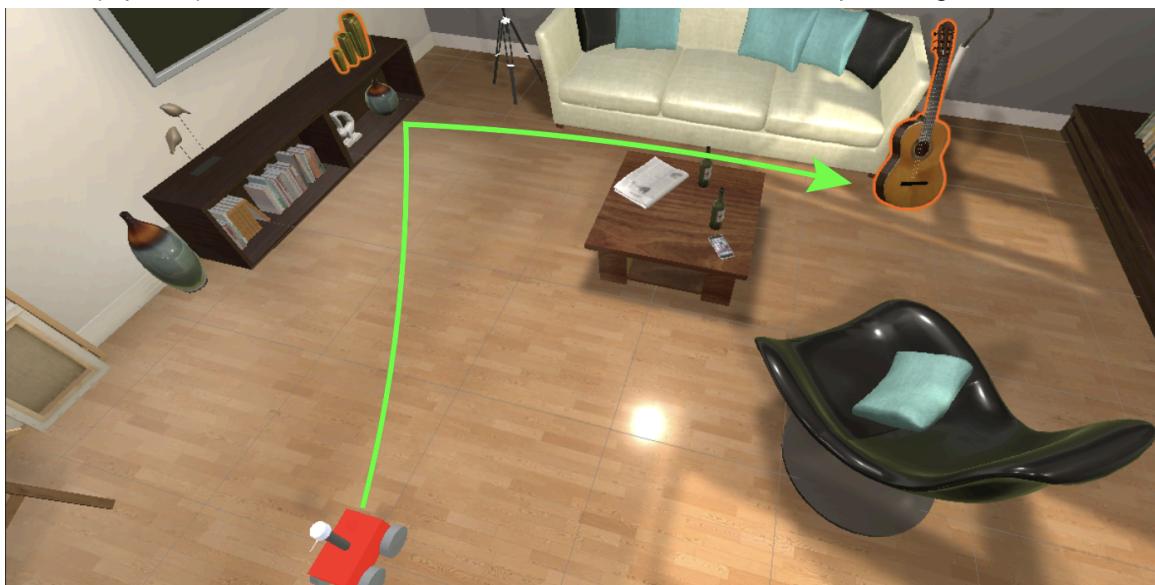

Question 3 (1 point): Find the beer bottle furthest from the couch.

Response: Bounding box of the object

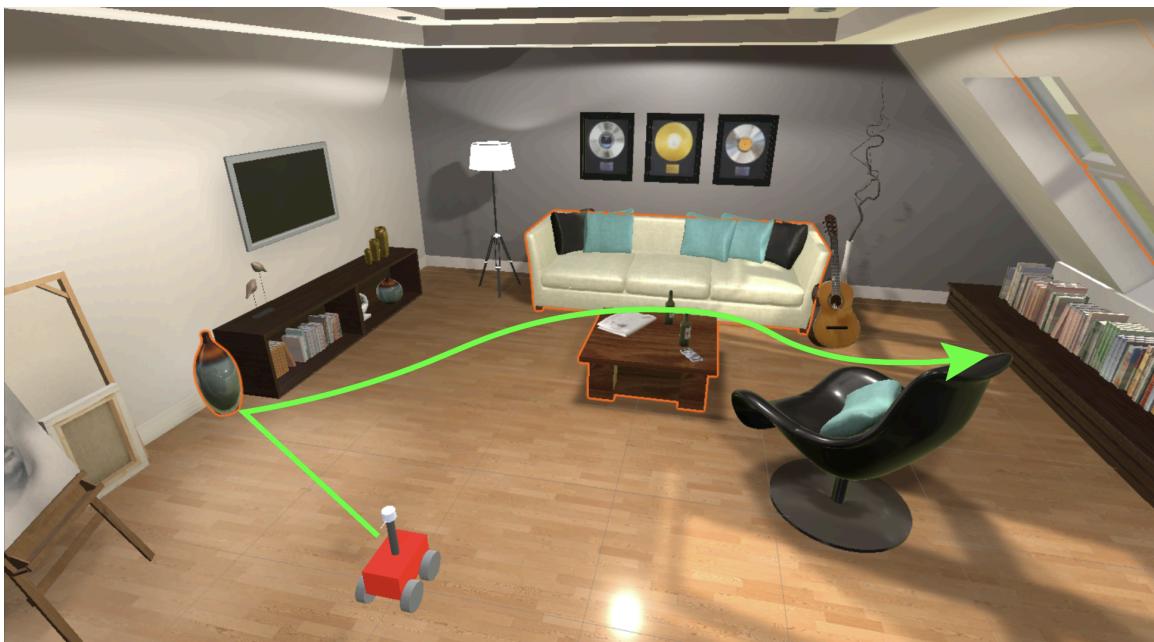

Category 3: Instruction Following

Question 4 (2 points): Go to the vases on the cabinet below the TV and stop at the guitar near the couch.

Response: trajectory (series of waypoints)

Question 5 (3 points): First, go to the vase closest to the easel, then, take the path between the couch and the table and stop at the window closest to the couch.

Response: trajectory (series of waypoints)

Note: The number of points of a question is based on the number of steps in the response. For example, Question 5 expects 3 steps in the response and is worth 3 points. The score is calculated as the number of correctly responded steps.
